This pain
in my stomach
wont go away.
I assume
this is punishment
from all
the mistakes ive made.
In a world where my actions
speak louder than words.
In a world where my actions
speak louder than words
I know more people than ever before.
One lesson ive learned from it all.
Fortune and fame are disguised as your friend
cuz im lonlier now than ive ever been.

cuz this pain in my stomach
won't go away
i assume this is punishment
for the mistakes i have made
in a world where my actions
speak louder than words
in a world where my actions
speak louder than words
I know more people than ever before.
one lesson ive learned from it all.
Fortune and fame are disguised as your friend
cuz im lonlier now than ive ever been.
