It's just one of those days
When you don't wanna wake up,
Everything is fucked
Everybody sucks
You don't really know why
But you wanna justify rippin' someones head off

No human contact and if you interact
Your life is on contract
Your best bet is to stay away mother fucker
It's just one of those days

It's all about the he said she said bullshit
I think you better quit lettin' shit slip
Or you'll be leavin' with a fat lip
It's all about the he said she said bullshit
I think you better quit talkin' that shit

It's just one of those days
Feelin' like a freight train
First one to complain leaves with the bloodstain
Your damn right I'm a maniac
You better watch your back cos'
I'm fuckin' your program

And if you're stuck up
You just lucked up
Next in line to get fucked up
Your best bet is to stay away mother fucker
It's just one of those days

It's all about the he said she said bullshit.
I think you better quit lettin' shit slip
Or you'll be leavin' with a fat lip
It's all about the he said she said bullshit
I think you better quit talkin' that shit, punk
So come and get it

I feel like shit..
My suggestion is to keep your distance
Cos right now I'm dangerous
We've all felt like shit

And been treated like shit
All those motherfuckers, they want to step up

I hope ya know
I pack a chainsaw
I'll skin your ass raw
And if my day keeps going this way
I just might break something tonight

I pack a chainsaw
I'll skin your ass raw
And if my day keeps going this way
I just might break something tonight

I pack a chainsaw
I'll skin your ass raw
And if my day keeps going this way
I just might break your fuckin' face tonight

Give me something to break
Just give me something to break
How 'bout your fuckin' face?

I hope you know I pack a chainsaw, WHAT?
I hope you know I pack a chainsaw, a motherfuckin'
chainsaw, what?
So come and get it

It's all about the he said she said bullshit.
I think you better quit lettin' shit slip
Or you'll be leavin' with a fat lip
It's all about the he said she said bullshit
I think you better quit talkin' that shit
So come and get it
