It's just one of those days when you don't wanna wake
up

Everything is fucked, everybody sucks
You don't really know why
But you wanna justify ripping someones head off

No human contact and if you interact
Your life is on contract
Your best bet is to stay away motherfucker
It's just one of those days

It's all about the he says, she says bullshit
I think you better quit letting shit slip
Or you'll be leaving with a fat lip
It's all about the he says, she says bullshit
I think you better quit talking that shit

It's just one of those days feeling like a freight train
First one to proclaim leaves with the bloodstain
Your damn right I'm a maniac
You better watch your back 'cause I'm fucking up your
program

And if you're stuck up, you're just lucked up
Next in line to get fucked up
Your best bet is to stay away motherfucker
It's just one of those days

It's all about the he says, she says bullshit
I think you better quit letting shit slip
Or you'll be leaving with a fat lip
It's all about the he says, she says bullshit
I think you better quit talking that shit, pun,k so come
and get it

I feel like shit, my suggestion is to keep your distance
'Cause right now I'm dangerous
We've all felt like shit and been treated like shit
All those motherfuckers, they want to step up

I hope you know I pack a chainsaw
I'll skin your ass raw

And if my day keeps going this way
I just might break something tonight

I pack a chainsaw
I'll skin your ass raw
And if my day keeps going this way
I just might break something tonight

I pack a chainsaw
I'll skin your ass raw
And if my day keeps going this way
I just might break your fucking face tonight

Give me something to break
Give me something to break
Just give me something to break
How 'bout your fucking face?

I hope you know I pack a chainsaw, what? A chainsaw
I hope you know I pack a chainsaw
A motherfucking chainsaw, what?
So come and get it

It's all about the he says, she says bullshit
I think you better quit letting shit slip
Or you'll be leaving with a fat lip
It's all about the he says, she says bullshit
I think you better quit talking that shit punk so come
and get it
