You say one for the trouble
And two for the times
One for the trouble and two for the times
One for the trouble and two for the times
Come on, y'all, let's rock (x2)

Right about now
It's time to get busy
One, two thrizzy.
Shut the fuck up!
And bring That ballistic
Riff from the Bizkit
Straight through the speakers
With the (hey, hey)
Check this future shock
Of rock revolution, punk (oh my god!)
Here it comes, so shut it up.
You keep on talking
We gonna shut your ass
Straight the fuck up
Call the cops
Look up into the stands
Gotta another riot on our hands
I Pull this mic
Straight out my toolkit
To fix you wannabe's
That ruined all the music
But nevermind
Those Phonies never get it
The Phonies just Deny It
Cause rockin Aint a diet
Apocolypse now
Who's talking shit now
Gimme the countdown
3... 2... 1
Urgghhh... Here we go again
Right now, Let's go
Me and you, Toe to toe
So we can rock
We can roll
Here we go again
Right now, Let's go

Me and you, Toe to toe
So we can rock
We can roll
You say one for the trouble
And two for the times
One for the trouble and two for the times
One for the trouble and two for the times
Come on, y'all, let's rock
Now I'm gonna full up my lungs with some butane
Turn the mic into a flame
Damn! that shit's hot
Super heavy
Built like a Chevy
And I ain't really mad at the (hey hey)
My significant, chocolate,
Three dollar bills from the cockpit (oh my god!)
Round two!
You ready for a break?
You keep on talking I'm gonna
Break you up something like this
Full throttle
Better be prepared
Coming with the kick and the snare
And I'm Down right dirty
Ruthless movement
Why'd you have to ruin all the music
No stopping till we're
Knock knock knockin' on heavens door
Pedal on the floor
Apocalypse now
Who's Talking shit now
Gimme the countdown
3... 2... 1...
Urgghhh... Here we go again
Right now, Let's go
Me and you, Toe to toe
So we can rock
We can roll
Here we go again
Right now, Let's go
Me and you, Toe to toe
So we can rock
We can roll

I wanna tell you,
Tell to your face right now
Not really sure that
Not really sure I know how
But I'ma try
I'ma try
Give you a piece of my mind

Gonna try
Gonna try
And I hope you don't mind
I'm a crack addict
That's right I'm a crack addict
You heard me I'm a crack addict
I'm addicted to crackin' skulls when punks start static!
It's time to panic
I'm addicted to crackin' skulls when punks start static!
It's time to panic
I'm addicted to crackin' skulls when punks start static!

Here we go again
Right now, Let's go
Me and you, Toe to toe
So we can rock
We can roll
Here we go again
Right now, Let's go
Me and you, Toe to toe
So we can rock
We can roll

I don't give a fuck
Who Talks
That Shit -
Fuck your
Fake ass -
All talk
And
No action!
