Hey you Mrs., I don't know what the fuck your name is
I'm drawn to you somethin's magnetic here
If I could approach you or even get close to the scent
That you left behind I'd be fine
No doubt that, you bring out, the animal inside
(No doubt, bring out)

I'd eat you alive, I'd eat you alive
I'd eat you alive, I'd eat you alive

Hey you, Mrs. too good to look my way
And that's cool you want nothin' at all to do with me
But I want you, ain't nothin' wrong with wantin' you
'cause I'm a man
And I can think what the hell I want
You got that straight?
No doubt that, I'd love to, sniff on them panties now
(No doubt, I'd love)

I'd eat you alive, I'd eat you alive
I'd eat you alive, I'd eat you alive

I'm sorry, so sorry
(Damn, you're so hot)
Your beauty, is so vain
(Damn, you're so hot)
It drives me, yes it drives me, absolutely insane
(Damn you're so hot)

I just wanna look at you
I just wanna to look at you
I just wanna look at you all day
There ain't nothin' wrong, no
There ain't nothin' wrong with that

Once you seep in, under my skin
(Once you seep in, under my skin)
Theres nothin', theres nothin' in this world that could
wash you away
(Theres nothin', wash you away)
Once you seep in, under my skin
(Once you seep in, under my skin)

Theres nothin', theres nothin' in this world that could
wash you away
(Nothin', nothin', that could wash you away)

I'm sorry, so sorry
(Damn, you're so hot)
Your beauty is so vain
(Damn, you're so hot)
It drives me, yes it drives me, absolutely insane
(Damn you're so hot)

I'd eat you alive, I'd eat you alive
I'd eat you alive, I'd eat you alive
I'd eat you alive
