Well I guess it would be nice  
If I could touch your body  
I know not everybody  
Has gotta body like me baby  
But I gotta think twice  
Before I give this heart away  
Cause I know all the games you play  
Cause I play them too baby  
Oh, but I need some time off  
From that emotion  
Time to pick my heart up off the floor  
When that love comes down  
Without devotion  
You know it takes a strong man baby  
But I'm showin' you that door  
Cause I gotta have...

Faith [x4]

Yeah, unh, I know you're askin' me to stay  
Say please, please, please don't go away  
Cause you're givin' me the blues, baby  
Uhn, you might mean, what, all them words you say  
I can't help but think of yesterday  
And another who tied me down to the lover boy blues  
Before this river becomes an ocean  
Before you pick my heart up off the floor  
When that love comes down  
Without devotion  
Well it takes a strong man baby  
But I'm showin' you that door  
Cause I gotta have...

Faith [x4]

[Everlast]  
Can you walk like a pimp?  
Is your Bizkit Limp?  
I got Faith like Ms. Evans  
Make you rhyme like the reverend  
Will Smith, you get jiggy  
You're wise to stick to Biggie

There's Life After Death, I be livin' proof  
The roof is on fire  
And it can't get much higher  
I'm rockin' this spot so hot, you perspire  
You call me a liar, I might get upset  
Kick a hole in the speaker, pull the plug, then I jet

Before this river becomes an ocean  
Before you pick my heart up off the floor  
When that love come down  
Without devotion  
Well, it takes a strong man, baby  
But I'm showin' you that door  
Cause I gotta have...

Faith [x8]
