Give it up, give it up, give it up.
Ha ha yo.
Give it up, give it up, give it up.
Whooooooooo
Give it up, give it up, give it up.
Were lethal.
Give it up...give it up
Nobody knows wat they don't know
So neva think u might no me
N that's sumthing to take home to night
(take home to night)
Nobody knows the way the candle burns
N ive learned to play both felids
N that's sumthing to take home to night
(take home to night)
[chorus]
If I try enough and get high enough
Most grown men don't cry enough
So I'll cry my self to sleep, cry my self to sleep
If I try enough and get high enough
Most grown men don't cry enough
So I'll cry my self to sleep, cry my self to sleep
Give it up, give it up, give it up, give it up,
Give it up, give it up cry my self to sleep,
Cry my self to sleep give it up,
Give it up, give it up give, it up, give it up
Cry my self to sleep
