You keep your distance
I can't deny you
I got the feeling, can't satisfy you
I got your picture on the wall
I got the picture, I'm gone
You keep your wishes
(Keep your wishes)
I keep my feelings
There goes along the one
That kept me breathing
I'm waiting for you
(I'm waiting for you)
I know your leaving
I still adore you
(I still adore you)
You never need me

Hold on
I've found another way to let you
Go away
Hold on
You've find another way to play my
Soul away
Ooo, ooo, ooo, ooo

The things you told me
To hear you speak
I'm burning slowly
I'm growing weak
You bring me closer to yesterday
Yesterday's a million miles away
Why can't you hear me?
(Why can't you hear me?)
Why can't I sleep?
(Why can't I sleep?)
And I don't understand
What keeps me breathing
I'm waiting for you
(I'm waiting for you)
I know you're leaving
I'll still adore you
(I'll still adore you)

You never need me

Hold on
I've found another way to let you
Go away
Hold on
You've find another way to play my
Soul away

Hold on
I've found another way to let you
Go away
Hold on
You've find another way to play my
Soul away

Hold on
I've found another way to let you
Go away
Hold on
You've find another way to play my
Soul away

Hold on
Hold on
Hold on
Hold on
(Hold on)
