Ladies and Gentlemen
Introducing
The chocolate starfish
And the hot dog flavored water
Bring it on
Get the fuck up
Yea
Check one, two

Listen up
Listen up
Here we go
(Here we go)
It's a fucked up world
(World)
A fucked up place
(Place)
Everybody's judged
By their fucked up face
Fucked up dreams
(Dreams)
Fucked up life
(Life)
A fucked up kid
With a fucked up knife
Fucked up moms
(Moms)
And fucked up dads
(Dads)
Fucked up cop
With a fucked up badge
Fucked up job
(Job)
With fucked up pay
(Pay)
And a fucked up boss
Is a fucked up day
Fucked up press
And fucked up lies
(Lies)
Lethal's in the back
With the fucked up eyes

(Hey)
(It's on)
Everybody knows it's on
(Hey)
(It's on)
Everybody knows it's on

Ain't it a shame
That you can't say fuck?
(Fuck)
Fuck's just a word
And it's all fucked up
Like a fucked up punk
(Punk)
With a fucked up mouth
(Mouth)
And nine inch nails
Get knocked the fuck out
Fucked up AIDS
(AIDS)
From fucked up sex
(Sex)
Fake assed titties
On a fucked up chest
We're all fucked up
So whatcha wanna do
With fucked up me

And fucked up you?

You wanna fuck me like an animal
You like to burn me on the inside
You like to think that I am a perfect drug
Just know that nothing you do
Will bring you closer to me

Ain't life a bitch?
(Bitch)
A fucked up ditch
(Ditch)
Fucked up sore
With a fucked up stitch
A fucked up head
(Head)
Is a fucked up shame
Swingin' on my nuts
Is a fucked up game
Jealousy fillin' up
A fucked up mind
It's real fucked up

Like a fucked up crime
If I say fuck, two more times
That's forty six fucks
In this fucked up rhyme

(Hey)
(It's on)
Everybody knows it's on
(Hey)
(It's on)
Everybody knows it's on

You wanna fuck me like an animal
You like to burn me on the inside
You like to think that I am a perfect drug
Just know that nothing you do
Will bring you closer to me
(Me)

Wao, ooo, listen up Baby
You can't bring me down
(Bring me down)
I don't think so
(I don't think so)
Also, you betta check yo'
(Check yourself)
Before you wreck yourself
Kiss my starfish
My chocolate starfish
Punk
Kiss my starfish
My chocolate starfish

You wanna fuck me like an animal
You like to burn me on the inside
You like to think that I am a perfect drug
Just know that nothing you do
Will bring you closer to me
