I ain't no joke  
So you should get a pen  
And write yourself a little note  
So you don't forget again  
That when it comes to cash  
I've been gettin' smoked  
Lendin' out my money  
Now I'm broke

Somebody's gettin' choked  
'Cos now its time to pay the piper  
Bums are the type of shit that's in a diaper  
Don't make me have to call a sniper  
And wipe your brains off my windshield wiper, you dirty  
bug

As soon as I get paid they come in masses  
There's someone givin' classes on kissin' peoples  
asses  
Unless you're livin' where the trash is  
Don't even come around here askin' where my cash is

Me, I'm broke  
Me, I'm broke

I aint no joke, I'll say it once again  
And if I get provoked there'll be knuckles on your chin  
Some people never learn  
Borrowin' from me you might regret it  
For one, I ain't no bank and you got shitty credit

As soon as I get paid they're comin' out the woodwork  
Take your ass and get a job like you should jerk  
Unless you're livin' where the trash is  
But your not, so find another spot where the cash is

Me, I'm broke  
Me, I'm broke

Gimme back my money, you bum  
You said you'd pay me back  
I'm broke and for that you deserve a smackin' for

slackin'  
Now people say that I'm a slacker  
If I'm a slacker, its through the eyes of the ones that  
are blind

You said you'd pay me back  
I'm broke and for that you deserve a smackin' for  
slackin'  
Now people say that I'm a slacker  
If I'm a slacker, its through the eyes of the ones that  
are blind

You said you'd pay me back  
I'm broke and for that you deserve a smackin' for  
slackin'  
Now people say that I'm a slacker  
If I'm a slacker, its through the eyes of the ones that  
are blind

La la la  
La la la  
La la la  
Gimme back my money  
La la la  
La la la  
La la la

You said you'd pay me back  
I'm broke and for that you deserve a smackin' for  
slackin'  
Now people say that I'm a slacker  
If I'm a slacker, its through the eyes of the ones that  
are blind

You said you'd pay me back  
I'm broke and for that you deserve a smackin' for  
slackin'  
Now people say that I'm a slacker  
If I'm a slacker, its through the eyes of the ones that  
are blind
