Run, is that all you can do,
Its all you've been doing since you been 2,
You just run,
You run away from change,
Leaving me bleeding but you cant see.

Your so dumb,
With your big dumb face,
And your big dumb ego,
What a disgrace, let it go,
What a disgrace, let it go.

Wait, I aint waiting for shit,
Coz when your waiting on something,
All you can get is a fix,
Yeah you were just my fix,
Punchin' your card in for all you can get.

Your so dumb,
With your big dumb face,
And your big dumb ego,
What a disgrace, let it go,
What a disgrace, let it go.

What hurts so much,
Is I believed you to be a true friend,
All__ a__ long__,
But you never cared,
You never cared.

That I had your back,
Through all the confusion,
Through all the abuse and I cared,
No matter what you said,
But now you betrayed me,
Embarrassed and plagued me.

So dumb,
With your big dumb face,
And your big dumb ego,
What a disgrace, let it go,
What a disgrace, let it go.

What hurts so much,
Is I believed you to be a true friend,
All___ a___ long___,
But you never cared,

What hurts so much,

Is I believed you to be a true friend,
All___ a___ long___,
But you never cared,
You never cared.

I always used to say,
Keep your friends close,
And your enemies closer,
I always used to say,
Dig a hole for the next man and you'll fall in,

I always used to say,
Keep your friends close,
And your enemies closer,
I always used to say,
Dig a hole for the next man and you'll fall in,

I know, you know,
That your ready to fall in,
I know, you know,
That your ready to fall in,
I know, you know,
That your ready to fall in,
I know, you know,
That your ready to fall in,

Too late now,
Afraid now,
Of all the things I could say now,
Its too late to,
complain you,
Don't deserve a word.

Now... Too late now,
Afraid now,
Of all the things I could say now,
Its too late to,
Complain you,
Don't deserve a word.

What hurts so much,
Is I believed you to be a true friend,
All___ a___ long___,

But you never cared,
You never cared.

What hurts so much,
Is I believed you to be a true friend,
All___ a___ long___,
But you never cared.
