Pain is so beautiful  
City of angels  
You know who you are  
It's not that you're waiting  
For so sweet tomorrow  
In a room full of darkness  
Hoping you'll find  
LIGHTZ

It's not that your waiting  
For so sweet tomorrow  
In a room full of darkness  
Hoping you'll find

What the fuck the days become  
What a phase to run  
We don't judge no priest we don't  
Preach we cum  
Smoke all in my lungs  
Fuck you I'm having fun  
We ain't blind we see  
We don't beat we drum

Organize the ways, damn this life is a stage  
Grab the moment and own it I'm Lookin forward today  
Before I hop on this plane, it's important to say  
Goodbye to my kids, you know you better behave

I'm livin outta my soul, fuck it there's no regrets  
Hittin Texas we're selling , this cash money no bet  
I've seen this ship before and I ain't have no fear  
I'm near I'm near I'm near bitch I'm right here

Fuck it ima a drink, if I don't get a DUI  
See these tickets sneak up  
On you like a sniper eye  
Yeah, I'm right above the clouds boy  
Ain't no way, it's time to get it now boy

Pain is so beautiful  
City of angels

You know who you are  
It's not that you're waiting  
For so sweet tomorrow  
In a room full of darkness  
Hoping you'll find  
LIGHTZ

I had been through is storm, been through the rain  
People tellin me lies, nobody taking the blame  
Jumpin through all my thoughts, like its a picket fence  
All the shit that I've done, doesn't really make sense

Show em how to behave  
Show em how to go far  
Show em how you believe  
Show em who you are  
Fell in love with a stripper  
She happy outta my head  
Every fucked up lady  
You can say what she said

For every single right  
I'm always born white  
I'm punching theses walls and it ain't no right  
No cheese no bite  
come alive through the night  
And I sleep in the day  
That's the vampire life

Cash money metal  
I should get a medal  
Going for the good, life don't settle  
It's a race to the pain  
Beauty is a name  
Tag it on my arm  
Cause my life won't change

Paint is so beautiful  
City of angels  
You know who you are  
It's not that you're waiting  
For so sweet tomorrow  
In a room full of darkness  
Hoping you'll find  
LIGHTZ

It's not that you're waiting  
For so sweet tomorrow  
In a room full of darkness  
Hoping you'll find  
LIGHTZ
