It's live from Los Angeles baby!

Every corner that I turn  
I see a lady that burns  
Hot mama walking down the street  
I'm loving all these L.A. freaks  
Pretty woman look my way  
I'm throwing my hook your way  
Hold tight while I reel you in  
Better leave him so tell again  
Let's cruise down Sunset  
Make a pit stop at the Rainbow  
Then we gonna hit the Roxy  
Let a few hot mamas rock me  
So many, it's hard to choose  
Take your pick, they all bad news  
Got game, they all want you  
Damn shame, they always do

Livin' in Los Angeles  
It's definitely scandalous  
So much ass in Los Angeles  
It's definitely scandalous

You better know when to hold em  
Know when to fold em  
Know when to pull the brakes  
And keep rollin'  
Know when you got a Hollywood tranny  
Adam's apple, d\*ck in the panties  
Gold diggin' comes with the scene  
One more fake Hollywood queen  
Got another when it coming fox  
Keep your cock in the sock  
Know what I mean

Livin' in Los Angeles  
It's definitely scandalous  
So much ass in Los Angeles  
It's definitely scandalous

She can pick you up  
She can bring you down  
She's got all your dreams  
Locked inside this town  
There's no way to leave  
Once you have arrived  
Just be glade you know  
That you're still alive  
You want girls that crawl  
You can have it all  
Anything you want  
It's a monster's ball  
You won't have to beg  
They jump in your bed  
Better check your head  
Or you'll be left for dead

Oh, yeah come  
Oh, yeah

Yeah, live in Los Angeles  
Home of the sluts and hookers and bullshit  
Gold diggers  
Yeah you ain't missin' shit baby  
Come on, bring it on

Livin' in Los Angeles  
It's definitely scandalous  
So much ass in Los Angeles  
It's definitely scandalous

Livin' in Los Angeles  
It's definitely scandalous  
So much ass in Los Angeles  
It's definitely scandalous
