(Tool Cover)

Choices always were a problem for you
What you need is someone strong to guide you.
Deaf and blind and dumb and born to follow,
what you need is someone strong to use you..
like me,
like me.

If you want to get your soul to heaven,
trust in me.
Don't judge or question.
You are broken now ,
but faith can heal you.
Just do everything I tell you to do.
Deaf and blind and dumb and born to follow.
Let me lay my holy hand upon you.

My Gods will
becomes me.
When he speaks out,
he speaks through me.
He has needs
like I do.
We both want
to rape you.

Jesus Christ, why don't you come save my life.
Open my eyes and blind me with your light
and your lies
