(chorus)

Pain is so beautiful
city of angels ,you know who you are.
Its not that you waited for some sweet tomorrow in a
room full of darkness
hoping youll find
LIGHTS

its not that you waited for some sweet tomorrow in a
room full of darkness hoping youll find

What the fuck these days become ,what a phase to run

blind we see ,we dont beat we drum.
organised always ,damn this life is a stage
grab the moment and know that im lookin for it today

(chorus and guitar solo)

mighta been through this all ,been through the rain
,people tellin me lies ,no one takin the blame ,jumpin
through all my thoughts like its a picket fence ,all this
shit that iv done doesnt really make sense.
show em how to behave ,show em how to go far ,show
em how you believe ,show em just who you are ,fell in
love wid a stripper she had me outa ma head ,every
fucked up way that you could say it she said.
wid every single right im always born white
,im punchin these walls n it aint no right
no teeth no bite ,come alive in the night and i sleep in
the day thats some vampire life.
cash money metal ,i should get a medal,

going for the gold ,life dont settle ,its a race to the pain
,beauty is the name ,taggin on ma own coz ma life
wont change,
