It's been so many days, don't know what to do  
I've been on the ground, keep me away from you  
don't know why I care, don't know what the hell it  
means  
don't know what the fuck is going on inside of me

I've had a long time to call your bluff  
so I can thank you for this misery  
I've had a long time to call your bluff  
and we'll see who lives in agony

I'm so alone, didn't need a friend  
a fucking misfit down on his luck again  
then you came along, saw the opportunity  
you knew exactly how to take advantage of me

I've had a long time to call your bluff  
so I can thank you for this misery  
I've had a long time to call your bluff  
and we'll see who lives in agony

the sky's a miracle  
now a piece of shit turned into lyrical  
every second counts, every second hurts  
face the consequence not knowing what life is worth

I've had a long time to call your bluff

so I can thank you for this misery  
I've had a long time to call your bluff  
and we'll see who lives in agony

I'm so alone, didn't need a friend  
a fucking misfit down on his luck again  
then you came along, saw the opportunity  
you knew exactly how to take advantage of me,  
motherfucker  
You you you motherfucker  
you you you piece of shit, I've had enough

I've had a long time to call your bluff  
so I can thank you for this misery

I've had a long time to call your bluff  
and we'll see through this in agony  
I've had a long time to call your bluff  
so I can thank you for this misery  
I've had a long time to call your bluff  
and we'll see who lives in agony
