Welcome to where time stands still  
No one leaves and no one will  
Moon is full, never seems to change  
Just labeled mentally deranged  
Dream the same thing every night  
I see our freedom in my sight  
No locked doors, no windows barred  
No things to make my brain seem scarred

Sleep my friend and you will see  
The dream is my reality  
They keep me locked up in this cage  
Can't they see that's why my brain says rage  
Rage, rage, rage, rage

[Chorus:]  
Sanitarium  
Leave me be  
Sanitarium  
Leave me alone

Build my fear of what's out there  
Cannot breathe the open air  
Whisper things into my brain  
Assuring me that I'm insane  
They think our heads are in their hands  
Violent use brings violent plans  
Keep him tied, it makes him well  
He's getting better, can't you tell?

No more can they keep us in  
Listen, damn it, we will win  
They see it right, they see it well  
But they think this saves us from our hell  
Hell, hell, hell, hell

[Chorus: Repeat]

[Fred Durst]  
Oh yeah, are you happy to be here or what?  
Well all I know is at a Metallica concert, nobody's sitting  
down

So everybody in those fuckin' seats stand the fuck up!  
Get up!

Get the fuck up!  
Thats what I'm talkin' bout!  
And I want all you people right here on the floor  
Who are fortunate to be here tonight, to move in pretty  
close  
Come on in  
You back there come on in  
Alright, I want y'all to repeat after me ok?  
Leave me alone (x3)  
Leave me alone, I'm gonna break the fuck out! C'mon!  
Leave me alone (x3)  
Leave me alone, I'm gonna break the fuck out! C'mon!

Fear of living on  
Natives getting restless now  
Mutiny's in the air  
Got some death to do  
Mirror stares back hard  
Kill is such a friendly word  
Seems the only way  
'To' reaching out again

Fear of living on  
Natives getting restless now  
Mutiny's in the air  
Got some death to do  
Mirror stares back hard  
Kill is such a friendly word  
Seems the only way  
To bring it back again

Mirror stares back hard  
Kill is such a friendly word  
Seems the only way  
TO BRING IT BACK AGAIN

Chorus : End
