It's not my mind  
It's not my mind  
It's not my mind  
It's not my mind  
It's not my mind  
It's not my mind  
Yo J  
And I get a little bit

Your veins flow with poison, please acknowledge my  
present  
This precious gift I behold, disguardad like trash  
To dominate, it's in your nature, you selfish brat  
I can't believe you had me strung out all over you like  
that

One minute you're so sweet the next minute you're sour  
And I taste the envious predictions  
Change with each hour, well, seen this before  
You even decide to step into my little world

Strange things occurring, happening over and  
Over and over again, now bitch you are cruelty  
You bark your orders with such a degrading dialect  
I can't believe you had me strung out all over you like  
that

One minute you're so sweet the next minute you're sour  
And I taste the envious predictions  
Change with each hour, well, seen this before  
You even decide to step into my little world

Gonna fuck it up

One minute you think you're all this  
The next minute you think you're all that  
But your playin' with a nova, mamma didn't show ya  
How to take gettin' canned by the man when it's over

I'll be hunting you down, waiting for the payback, your  
frown  
Begging me for your mercy, I ain't down with the

sympathy you see  
And I always remember your tender love, wipe me  
under the rug  
Just so you can step on my spine and I'm gonna get  
mine  
And I'm gonna get mine

[Incomprehensible] inflicted reminds me  
(I'm gonna get mine)  
It was, ah, was wasted behind me  
(I'm gonna get mine)  
Behind these walls of chain you find me  
(I'm gonna get mine)  
I'd like to rearrange your face  
I'm gonna get mine

(Please don't make me)  
I'm gonna get mine  
(Please don't make me)

You-you-you're so sweet  
You're so sweet  
You're so sweet

I'm gonna get mine  
I'm gonna get mine  
I'm gonna get mine

So was wasted behind me  
(I'm gonna get mine)  
Behind these walls of chain you find me  
(I'm gonna get mine)  
I wanna rearrange your face  
(I'm gonna get mine)  
I wanna rearrange your face  
(I'm gonna get mine)  
You're so sweet, you're so sweet, you're so sweet

You're always, you're always right  
And I'm always wrong  
(Not my mind)  
That's why you love me so much  
You're so sweet  
(Not my mind)  
I love you, you're so sweet, I love you

You're not my mind  
You're not my mind  
You're not my mind  
Not my mind
