I've seen your campus  
and thinking I've been there before  
you know someting, I live in this pig pen  
this filthy pig pit next door  
another stench of my auroma  
stick that nose up in the air  
is that the excuse you use to ruin me

--chorus--

I need to get you outta my way  
pack them bags boy get the fuck outta here  
need to get you outta my way  
love thy neighbor, love my neighbor  
yeah right\_right

yo J, drop that one down

your existence means less now that it probably ever  
has before  
you've got your head up your ass  
out of your mouth comes nothing but shhhhhh  
still I listen, I absorb  
you amuse me idiot  
all bent outta shape  
'cause i piss on your gate

--chorus--

I need to get you outta my way  
pack them bags you boy get the fuck outta here  
need to get you outta my way  
love thy neighbor, love my neighbor  
right\_right

and you don't stop  
and we won't stop  
that's right  
and you can't stop  
this shit, it just won't stop  
let's take it to the curb if you can stand it, put yourself  
in my position man -repeat x2  
let's take it to the curb, put yourself in my position man

ahh, take it to the curb, put yourself in my position man  
punk, how you wanna take it to the curb  
ahh, you wanna take it to the curb  
ahh put ya, put ya, ahh, put yourself in my position man

man, punk, you're gone  
break, break, break  
and you don't stop, don't stop, don't stop, don't stop  
got it  
stinky, stinky finger  
and you don't -repeat x2
