Dead from all the loneliness  
And this is how I feel  
Understandin' everything  
Has never been my deal  
Maybe you have crossed my path  
To live inside of me  
Or maybe you're the reason why  
I'm losin' all my decency

But I believe that you and me  
We could be so  
Happy and free  
Inside a world of misery  
And I believe that you and me  
We could be so  
Inside of you, inside of me  
'Cause this could be the one  
This could be the one  
This could be the one  
This could be the one

I've been lookin', lookin', lookin'  
I've been lookin' for my Mrs. Right  
But she don't exist  
Chemistry is everythin'  
And we're anything but this  
Maybe I have crossed your path  
And swepted you off your feet  
An' maybe I'm the reason why  
You cry at night before you sleep

But I believe that you and me  
We could be so  
Happy and free  
Inside a world of misery  
And I believe that you and me  
We could be so  
Inside of you, inside of me  
'Cause this could be the one  
This could be the one  
This could be the one  
This could be the one

Bu' what do you think?  
We could give it a try

'Cause you never know  
Maybe we could be soul mates  
But maybe not  
(Maybe not)  
Or maybe so  
(Maybe so)  
If you never try  
Then you'll never know  
The grass could be greener  
(Could be)  
And it will always be greener  
On the other side  
But you  
Just never  
(Never)  
Know  
(Know)  
This could be the one

I do believe that you and me  
We could be so  
Happy and free  
Inside a world of misery  
And I believe that you and me  
We could be so  
Inside of you, inside of me  
'Cause this could be the one  
This could be the one  
This could be the one  
This could be the one

Maybe so  
(Maybe so)  
Maybe not  
(Maybe not)  
Who knows?  
(Who knows?)

[incomprehensible]

If you're alone  
([incomprhensible])  
I know I  
If you can hide  
Then go hide  
Away  
But I want you to stay, hey

And blow me away, away  
I want you to stay, aye  
And blow me away  
Away

If you're alone  
([incomprehensible])  
Don't you cry  
If you can hide  
Then go hide  
Away  
I want you to stay, aye  
And blow me away  
Your way  
I want you to stay, aye  
And blow me away  
Away  
Your way  
Your way
