*[Intro]*

It could be the absense talking  
I dont think so  
I dont either  
Ive gotta find a new place  
A new place to feed  
Gotta be

*[Pre-Chorus]*

Stop everything, something is not feeling right  
The planets are not all aligned  
I know when I felt this before  
My evil is thirsty for more  
I need a new allie to feed

What can I do?  
I've got an idea

*[Chorus]*

I think I'll just become a priest  
Decieving them with my belief  
I'll preach about what life is worth  
And cover my sins with the church  
My demons can run around free  
No one will suspect a thing  
I'll show them its okay to lust  
A priest is a church you can trust  
I found a new allie to feed

*[Hard Chorus]*

Baptized by the unexpected  
Terrorized by the imperfections

*[Pre-Chorus]*

Somethings not right  
The planets are not all aligned  
I know when I felt this before  
My evil is thirsty for more  
I need a new allie to feed

What can I do?  
I've got an idea

*[Chorus]*

I think I'll just become a priest  
Decieving them with my belief  
I'll preach about what life is worth  
And cover my sins with the church  
My demons can run around free

No one will suspect a thing  
I'll show them its okay to lust  
A priest is a church you can trust  
I found a new allie to feed

*[Hard Chorus]*

Baptized by the unexpected  
Terrorized by the imperfections  
Baptized by the unexpected  
Terrorized by the imperfections

*[Bridge]*

Oh my god  
Im watching TV  
I cant  
Oh whats this world coming to  
I see a priest molesting children  
I see terrorists blowing up buildins  
I see someone in rage  
Killing Dimebag on stage  
What the fuck is this?  
What the fuck is this?  
I got a kid  
Should I send him to Sunday School?  
I got a kid  
Should I send him to Sunday School?  
So you can fuck him  
Oh no you aint gonna fuck him  
How bout this?  
I dont fucking know who I can trust  
In this world and I'm gonna blow  
One more time  
I'm not that scared

*[Pre-Chorus]*

Something is not feeling right  
The planets are not all aligned  
I know when I felt this before  
My evil is thirsty for more  
I need a new allie to feed

*[Hard Chorus]*

Baptized by the unexpected

Terrorized by the imperfections  
Baptized by the unexpected  
Terrorized by the imperfections
