Aw shit, time to break out.
Seems like a black light's done burnt out.
Like- 'WAKE ME UP BEFORE YOU GO-GO" man.
It's that black light giving you that devilish tan huh?
I'm kind of glad you finally found a "man".
Stop making plans to manipulate fans and
Finally stick to something you believe
'Cuz you had us all fooled and i'll admit, even me.
You know, i came into this world kind of skeptical
of all the phonies 'cuz they ain't respectable,
but every once in awhile there's a decimal,
an intellectual using his receptacle..

MANIPULATING LIKE A CROOK WHO'S ARREST-ABLE. IT'S
UNACCEPTABLE. FUCKING UNACCEPTABLE!
MANIPULATING LIKE A CROOK WHO'S ARREST-ABLE. IT'S
UNACCEPTABLE. FUCKING UNACCEPTABLE!
MANIPULATING LIKE A CROOK WHO'S ARREST-ABLE. IT'S
UNACCEPTABLE. FUCKING UNACCEPTABLE!
