Well, I guess it would be nice  
If I could touch your body

I know not everybody has gotta body like me  
But I gotta think twice before I give my heart away  
And I know all the games you play because I play them  
too  
Oh, but I need some time off from that emotion

Time to pick my heart up off the floor  
When that love comes down without devotion  
Well, it takes a strong man baby  
But I'm showin' you that door

'Cause I gotta have faith, gotta have faith  
Gotta have faith, gotta have faith

Baby, I know you're askin' me to stay  
Say, "Please, please, please don't go  
away"  
'Cause you're givin' me the blues  
Baby, you mean every word you say

Can't help but think of yesterday  
And another who tied me down  
To lover boy blues  
Before this river becomes an ocean

Before you pick my heart up off the floor  
When our love comes down without devotion  
Well it takes a strong man baby  
But I'm showing you that door

I gotta have faith, gotta have faith  
Gotta have faith, gotta have faith  
Get tha fuck up

I gotta have faith, I gotta have faith  
I gotta have faith, I gotta have faith  
Faith, ah, faith, ah
