Yes, millennium shit
Limp Bizkit, ah, X to the Z, yeah, ah
Bringing it live to you and yours
Ladies and gentlemen
Ha ha ha, my home boy
Yo, get at 'em dog

You don't wanna fuck with me today
'Cause a little some, some didn't go your way
So try not to feel like that today
'Cause I'm a real mutherfucker from 'round the way

We don't give a fuck when we're rockin' the place
We're only giving a fuck
If you're invading this space
Gotta getcha groove on
Don't keep us waiting too long

Don't you treat me like a toy kid
Do you enjoy this?
Every single second I'm alive I'm a mess
Got these laser beam mic checks
Communicating through the genelect
High tech, kick you on the run now

Don't wanna be that guy
Every single second I'm alive I'm alive
I don't understand why
I've got control for the candy in ya soul
I'm bumpin' up the sweetness

This is what you need
Another little piece of me inside of you
'Cause you that I always keep it true
And that's exactly what I do, it's what I do, yeah
It's what I do

You don't wanna fuck with me today
'Cause a little some, some didn't go your way
So try not to feel like that today
'Cause I'm a real mutherfucker from 'round the way

We don't give a fuck when we're rockin' the place
We're only giving a fuck
If you're invading this space
Gotta getcha groove on
Don't keep us waiting too long

I've got breakneck delivery, no time for chivalry
Extraordinary ability, shit longevity
Dig deep in your soul and find yourself
'Cause mind control can turn y'all into someone else

So fast you'll hear the party spin the fuck right off
Me and Fred about to go half on Microsoft
Them live earning twenty percent
Your little half ass, direct hits
Ain't even making a dent

What an event, all hell Xzibited and Limp
As we attempt to bring home the championship
It's all in the risk, I still lead the league and assist
Give me the fifth
I'm drinking while I'm taking a piss, bitch

You don't wanna fuck with me today
'Cause a little some, some didn't go your way
So try not to feel like that today
'Cause I'm a real mutherfucker from 'round the way

We don't give a fuck when we're rockin' the place
We're only giving a fuck
If you're invading this space
Gotta getcha groove on
Don't keep us waiting too long

I've got untapped material, I serial kill shit
Give me the real shit, X finish him off quick
Making your jaw split
When I'm touching the mosh pit
Constant conflict
Knock you faggots unconscience

Nauseous, raising the stakes
Increasing the weight
Got homies I can lay down and lift their plates
So quit trying to invade my space
Before I call for a face to face and gotta rest my case
like

This is how we do it
Just recognize, we can get you right to it
Look into these eyes

Look into these eyes and you'll see the size of the fame
Then you might despise the size of my game

Step the fuck back, Xzibit's on the track
You shoulda buckled up before your head hit the dash
You gotta hate that, a demo from an eight track
Brought me to a place
Where platinum comes in eight stacks, bitch

You don't wanna fuck with me today
'Cause a little some, some didn't go your way
So try not to feel like that today
'Cause I'm a real mutherfucker from 'round the way

We don't give a fuck when we're rockin' the place
We're only giving a fuck
If you're invading this space
Gotta getcha groove on
Don't keep us waiting too long

You don't wanna fuck with me today
'Cause a little some, some didn't go your way
So try not to feel like that today
'Cause I'm a real mutherfucker from 'round the way

We don't give a fuck when we're rockin' the place
We're only giving a fuck
If you're invading this space
Gotta getcha groove on
Don't keep us waiting too long

You don't wanna fuck with me today
'Cause a little some, somethin' didn't go your way
So try not to feel like that today
'Cause I'm a real mutherfucker from 'round the way

We don't give a fuck when we're rockin' the place
We're only giving a fuck
If you're invading this space
Gotta getcha groove on
Don't keep us waiting too long

You don't wanna fuck with me today
'Cause a little some, some didn't go your way

Yeah yeah
Keep it bouncing
Yeah [Incomprehensible]
