Yes, millennium shit  
Limp Bizkit, ah, X to the Z, yeah, ah  
Bringing it live to you and yours  
Ladies and gentlemen  
Ha ha ha, my home boy  
Yo, get at 'em dog

You don't wanna fuck with me today  
'Cause a little some, some didn't go your way  
So try not to feel like that today  
'Cause I'm a real mutherfucker from 'round the way

We don't give a fuck when we're rockin' the place  
We're only giving a fuck  
If you're invading this space  
Gotta getcha groove on  
Don't keep us waiting too long

Don't you treat me like a toy kid  
Do you enjoy this?  
Every single second I'm alive I'm a mess  
Got these laser beam mic checks  
Communicating through the genelect  
High tech, kick you on the run now

Don't wanna be that guy  
Every single second I'm alive I'm alive  
I don't understand why  
I've got control for the candy in ya soul  
I'm bumpin' up the sweetness

This is what you need  
Another little piece of me inside of you  
'Cause you that I always keep it true  
And that's exactly what I do, it's what I do, yeah  
It's what I do

You don't wanna fuck with me today  
'Cause a little some, some didn't go your way  
So try not to feel like that today  
'Cause I'm a real mutherfucker from 'round the way

We don't give a fuck when we're rockin' the place  
We're only giving a fuck  
If you're invading this space  
Gotta getcha groove on  
Don't keep us waiting too long

I've got breakneck delivery, no time for chivalry  
Extraordinary ability, shit longevity  
Dig deep in your soul and find yourself  
'Cause mind control can turn y'all into someone else

So fast you'll hear the party spin the fuck right off  
Me and Fred about to go half on Microsoft  
Them live earning twenty percent  
Your little half ass, direct hits  
Ain't even making a dent

What an event, all hell Xzibited and Limp  
As we attempt to bring home the championship  
It's all in the risk, I still lead the league and assist  
Give me the fifth  
I'm drinking while I'm taking a piss, bitch

You don't wanna fuck with me today  
'Cause a little some, some didn't go your way  
So try not to feel like that today  
'Cause I'm a real mutherfucker from 'round the way

We don't give a fuck when we're rockin' the place  
We're only giving a fuck  
If you're invading this space  
Gotta getcha groove on  
Don't keep us waiting too long

I've got untapped material, I serial kill shit  
Give me the real shit, X finish him off quick  
Making your jaw split  
When I'm touching the mosh pit  
Constant conflict  
Knock you faggots unconscience

Nauseous, raising the stakes  
Increasing the weight  
Got homies I can lay down and lift their plates  
So quit trying to invade my space  
Before I call for a face to face and gotta rest my case  
like

This is how we do it  
Just recognize, we can get you right to it

Look into these eyes  
Look into these eyes and you'll see the size of the fame  
Then you might despise the size of my game

Step the fuck back, Xzibit's on the track  
You shoulda buckled up before your head hit the dash  
You gotta hate that, a demo from an eight track  
Brought me to a place  
Where platinum comes in eight stacks, bitch

You don't wanna fuck with me today  
'Cause a little some, some didn't go your way  
So try not to feel like that today  
'Cause I'm a real mutherfucker from 'round the way

We don't give a fuck when we're rockin' the place  
We're only giving a fuck  
If you're invading this space  
Gotta getcha groove on  
Don't keep us waiting too long

You don't wanna fuck with me today  
'Cause a little some, some didn't go your way  
So try not to feel like that today  
'Cause I'm a real mutherfucker from 'round the way

We don't give a fuck when we're rockin' the place  
We're only giving a fuck  
If you're invading this space  
Gotta getcha groove on  
Don't keep us waiting too long

You don't wanna fuck with me today  
'Cause a little some, somethin' didn't go your way  
So try not to feel like that today  
'Cause I'm a real mutherfucker from 'round the way

We don't give a fuck when we're rockin' the place  
We're only giving a fuck  
If you're invading this space  
Gotta getcha groove on  
Don't keep us waiting too long

You don't wanna fuck with me today  
'Cause a little some, some didn't go your way

Yeah yeah  
Keep it bouncing  
Yeah [Incomprehensible]
