I got clothes all over my room my girlfriends gone be here soon

Can't find my other shoe what I'm gone do

We gone hop in the hummer glad 'cause it's summer

Head to the lingerie just got Jay-Z on the radio

We bumpin' them down south playas Dr.Dre,Joe

You know them broads gone be hatin'

We know them n****s gone be trippin'

We know the fakers gone be frontin'

Hatin' trippin' frontin' We be dippin' playa pimpin'

Gotta let 'em know what we came fo'

Straight from the no to the dance flo'

I only came to party so girl don't test me

You need to check your n****a

He's the one who's lookin' at me

Gotta let 'em know what we came fo'

Straight from the no to the dance flo'

I'm only here to party so playa don't sweat me

You need to check your girl

You betta tell her that it ain't me

If that n****a got you trippin' like that

Acting how you act send that n****a back, batch

Bud contact got me faded so

Ain't really trippin' off no silly hoe

The beat is bumpin' DJ you done started somethin'

We roll deep sh*t ain't nothin'

All we came to do is party but we know how they gone

play

Gotta let 'em know what we came fo'

Straight from the no to the dance flo'

I only came to party so girl don't test me

You need to check your n****a

He's the one who's lookin' at me

Gotta let 'em know what we came fo'

Straight from the no to the dance flo'

I'm only here to party so playa don't sweat me

You need to check your girl

You betta tell her that it ain't me

We know broads gone hate so we ain't gone sweat that

N****a's gone hate and I'm willing to bet that

Now let that n****a follow me to the beat

Shot by the B O N I C
It's the L to the I to the N to the A
Hands down that chick at the end of the day
Ain't about nothin' hoes lookin ain't wantin'
Playa's hate your man keep lookin' but I don't want him
Rather kill'em with kindness or the gentleman's thug
We keep hoes on the floor like the gentleman's club
Shake break and boogie man whatever is clever
And before you claim the Bonic better have your shit
together
Gotta let 'em know what we came fo'
Straight from the no to the dance flo'
I only came to party so girl don't test me
You need to check your n***a
He's the one who's lookin' at me
Gotta let 'em know what we came fo'
Straight from the no to the dance flo'
I'm only here to party so playa don't sweat me
You need to check your girl
You betta tell her that it ain't me
(Repeat to fade)
