Well I've been moving I a new direction
Don't you know that something's gonna change
I've been infected by God's injection
Now I don't say the things I used to say 'cause

BRIDGE:

Now I'm changed, I'm not the same
And now I'm moving in God's direction
And I feel good about that

CHORUS:

It makes me want to;
Jump up, spin around, get up, get down,
Don't you know I do it night and day
Jump up, spin around, get up, get down, Oh yeh

Well I've been looking from a new perspective
My eyes are open now, what can I say
And now I'm walkin' with a new objective
Ever since the day that Jesus saved - me

BRIDGE:

Now I'm changed, I'm not the same
And now I'm moving in God's direction
And I feel good about that

CHORUS:

It makes me want to;
Jump up, spin around, get up, get down,
Don't you know I do it night and day
Jump up, spin around, get up, get down, Oh yeh
(Repeat)

The Spirits movin' me to be affective
And not to lay around and just waste away
And Lord I'm glad that You where resurrected
And not still laying down there in that grave, no

BRIDGE:

Now I'm changed, I'm not the same
And now I'm moving in Your direction

And I feel good about that

CHORUS:

It makes me want to;

Jump up, spin around, get up, get down,

Don't you know I do it night and day

Jump up, spin around, get up, get down, Oh yeh

(Repeat)

He'll never change. He stays the same

So get a movin' in God's direction

You'll feel good about that!
