I'm running a race that I'm not gonna lose  
Cause everything changed when I met You  
So I'm laying all my tomorrows in Your hands...

I'm standing on every word You've said  
I'm holding on to Your promises  
And I know my hope and my future are found in You...

Oh, yeah! With everything that You've started in me  
I believe that You will be faithful!

Chorus-  
And I'll receive everything that You're doing in me!  
And I believe that the rest of my life'll  
be the best days of my life!

I'm weak and I find Your mercy too.  
I'm walking upon Your Grace and Truth.  
And I know Your Spirit will lead me on my way!

I'm giving away this life I've had  
I'll give it my all, Lord, I won't hold back  
Til I stand before you in Heaven, finally HOME!!

Yeah! With everything that You've started in me  
I believe that You will be faithful!

Chorus-  
And I'll receive everything that You're doing in me!  
And I believe that the rest of my life'll  
be the best days of my life!

You pulled me out from where I was  
And You set my feet on the soil of love!  
You've given me a brand-new song to sing!

So I won't fear; You'll see me thru!  
The darkness lives as life to You,  
And I know You're gonna make the night shine like the  
day!!

I believe it! I know You're coming back for me! I'll be

living for eternity! Because of what You've done for me, I know that the rest of my life'll be the best of my life!

Chorus-

And I'll receive everything that You're doing in me!  
And I believe that the rest of my life'll  
be the best days of my life!

I know You're coming back for me! Yes I'm living for eternity! Because of what You've done for me, now I know that the rest of my life'll be the best days of my life!
