I will praise with all I am  
Every fiber of my soul  
Every breath I'll ever take  
Is because You made it so

And I will give You all I am  
Every minute, every hour  
And You fill me with Your love  
With Your strength and with Your power

Oh, God above, Your love has opened up my eyes  
Now all I see is You, all I see is You

Everywhere I go, Your love surrounds me  
Everywhere I turn, Your grace reminds me  
Nothing in this world can separate us now  
Every step I take, You're there to guide me  
Everyday I wake, Your mercy finds me  
Nothing in this world can ever take this love away

You will never let me go  
Lord, Your love has won my heart  
And I want the world to know  
Just how wonderful You are

So I am running after You  
Everyday that I have breath  
Jesus, You're the only way  
And there's no way I'm turning back

Oh, God above, Your love has opened up my eyes  
Now all I see is You, all I see is You  
Oh, with every breath, I breathe, I know it's true now

And everywhere I go, Your love surrounds me  
Everywhere I turn, Your grace reminds me  
Nothing in this world can separate us now  
Every step I take, You're there to guide me  
Everyday I wake, Your mercy finds me  
Nothing in this world can ever take this love away

And I won't look back, I won't worry

'Cause my best days are before me  
No, I won't look back, I won't worry  
'Cause my best days are before me

No, I won't look back, I won't worry, no  
'Cause my best days are before me  
No, I won't look back, I won't worry, no  
No, no, no, no, no, no, no

Oh, God above, Your love has opened up my eyes  
Now all I see is You, all I see is You

And everywhere I go, Your love surrounds me  
Everywhere I turn, Your grace reminds me  
Nothing in the world can separate us now  
Every step I take, You're there to guide me  
Everyday I wake, Your mercy finds me  
Nothing in the world can ever take this love away

Everywhere I go, Your love surrounds me  
Everywhere I turn, Your grace reminds me  
Nothing in the world can separate us now  
(Nothing's gonna separate us now)

Every step I take You're there to guide me  
Everyday I wake Your mercy finds me  
Nothing in the world can ever take this love away  
(Nothing's gonna separate us now)

Everywhere I go, Your love surrounds me  
Everywhere I turn, Your grace reminds me  
Everywhere I go, Your love surrounds me  
Every step I take, You're there to guide me  
Your mercy finds me
