We all like to hide behind our different faces  
And we all like to pretend we're in different places  
I don't need anyone to give me approval  
And I don't mind if you laugh and call me a loser

'Coz He's all I need  
To live, to be  
He's my decree  
He's all I ever need

We all like to brave our faith when misplace it  
And we all like to call up too so when I make it  
But you and me, we don't need to beg or steal or  
borrow  
'Coz we are kids of the King, of the great tomorrow

He's all I need  
To live, to be  
He's my decree  
He's all I ever need

Hope in Him, trust in Him, reach for Him  
Let the flood of God's tears drown the sea  
That should've never been, never been

He's all I need  
To live, to be  
He's my decree  
He's all I ever need
