You light my way everyday
You help me see what I can be
I cry to You, my Spirit song
Come use my life for You alone

You caught my soul
When I was struggling to breathe
You made me whole
And now Your majesty I see
I belong to You, yes I belong to You

I hear Your voice, it leads me on
Into Your arms where I belong
I cry to You, my Spirit song
Come use my life for You alone

You caught my soul
When I was struggling to breathe
You made me whole
And now Your majesty I see
I belong to You, yes I belong to You

I know You're everything
You're all I'll ever need
I know You're everything to me

I know You're everything
You're all I'll ever need
I know You're everything to me

I know You're everything
You're all I'll ever need
I know You're everything to me

You caught my soul
When I was struggling to breathe
You made me whole
And now Your majesty I see
I belong to You, yes I belong to You
I belong to You, yes I belong to You
