Your love won't deny me
Even in the storm You find me
You call me from the darkness to Your light
Your hand ever leads me
Lord You're never gonna leave me
You're teaching me to fight a better fight

Let Your glory shine
Let Your glory shine
Let Your glory shine through me

I know You're the Savior
You're taking every fear and failure
You're lifting me to rise above it all
Your love won't be shaken
You're taking who I am and making
Something out of nothing for Your cause

Let Your glory shine
Let Your glory shine
Let Your glory shine through me
