River flow from Your throne
From Your heart, through my soul
Healing flood, God of peace
Speak Your word and quiet me

I was made to be loved by You
To be loved by You, to be loved by You
I was made to be loved by You
To be loved by You, to be loved by You

Mercy rain fall on me
Hide me now beneath Your wings
Hold me close to Your side
For I am Yours and You are mine

I was made to be loved by You
To be loved by You, to be loved by You
I was made to be loved by You
To be loved by You, to be loved by You
Jesus

Open up wide, Your arms and my eyes
Take all I have and make it Yours
You've given Your life and now I'm alive
To worship You now forevermore

I was made to be loved by You
To be loved by You, to be loved by You, Jesus
I was made to be loved by You
To be loved by You, to be loved by You, Jesus
I was made to be loved by You
To be loved by You, to be loved by You
