Crawling in my skin
These wounds, they will not heal
Fear is how I fall
Confusing what is real, oh

There's something inside me
That pulls beneath the surface
Consuming, confusing

This lack of self-control
I fear is never ending
Controlling, I can't seem

To find myself again
My walls are closing in

Without a sense of confidence I'm convinced
That there's just too much pressure to take

I've felt this way before
So insecure

Crawling in my skin
These wounds, they will not heal
Fear is how I fall
Confusing what is real

Discomfort, endlessly has
Pulled itself upon me
Distracting, reacting

Against my will, I stand
Beside my own reflection
It's haunting, how I can't seem

To find myself again
My walls are closing in

Without a sense of confidence I'm convinced
That there's just too much pressure to take

I've felt this way before

So insecure

Crawling in my skin
These wounds, they will not heal
Fear is how I fall
Confusing what is real

Crawling in my skin
These wounds, they will not heal
Fear is how I fall
Confusing, confusing what is real

There's something inside me
That pulls beneath the surface
Consuming

Confusing what is real

This lack of self control
I fear is never ending
Controlling

Confusing what is real
