Oh my god here I go again IÂ´m
About to get in deep
IÂ´m completely obsessed with you and
ThatÂ´s why I lose my sleep
Can I be your shepherd can I hold the torch and light
the way
I just wanna hold you smell you have you every day
Can I have your inner secrets can I write about them in
a song
Just don't keep me hanging IÂ´ve been hanging much
too long
Oh baby youÂ´re so cool
So beautiful I bet you rule
And youÂ´re nobodyÂ´s fool
Oh baby youÂ´re so cool
I love your white lies your spunk your grand prize
The evil in your eyes
Your smell your leviÂ´s your taste your dress size
Your see-through alibis
I follow you around all day I cling to you like IÂ´m some
kind of tail
I sleep outside your doorstep and sometimes I even
read your mail

I watch you every weekday and I watch you sundays in
the park
Baby are you nuclear Â´cos youÂ´re glowing in the
dark
Oh baby youÂ´re so cool
So beautiful I bet you rule
And youÂ´re nobodyÂ´s fool
Oh baby youÂ´re so cool
My perversion my introversion has got me on my knees
LetÂ´s get down and explore each other so I can find
some peace
One look at you itÂ´s clear IÂ´ve never wanted anyone
this bad
IÂ´m pretty damn sure youÂ´re better than the best
ones that IÂ´ve had
YouÂ´re such a trip just watching you sends shivers
down my spine
I bet youÂ´re really bad for me now I just gotta make

you mine
Oh baby you're so cool
So beautiful I bet you rule
And you're nobody's fool
Oh baby you're so cool
