Once in a while  
When Iâ€™m sleeping  
My horses are wild  
And Iâ€™m weeping  
Just like a child  
I wake up dreaming that Iâ€™ve been loved  
Nights are in blue  
And castillian  
Thinking of you  
Senses reeling  
Diving into  
This illusion that I have been loved  
Lucky for you  
You know what to do  
When somebody hurts you  
Somebody enters your life then disappears  
Leaves you in tears  
Stirs up your fears  
If you have a clue  
About what to do  
Then thatâ€™s lucky for you  
Still lucky for me

Youâ€™re amazing  
You made me see  
Sparks come blazing  
I was lucky to be  
Made to feel like I had been loved  
Lucky for you  
You know what to do  
When somebody hurts you  
Somebody enters your life then disappears  
Leaves you in tears  
Stirs up your fears  
If you have a clue  
About what to do  
Then thatâ€™s lucky for you  
I didnâ€™t think you would sacrifice  
The love I made you receive  
Iâ€™d pay a grand for some paradise  
But Iâ€™m just too scared to believe
