When Susannah cries  
she cries a rainstorm  
she cries a river  
she cries a hole in the ground

She cries for love  
she cries a sad song  
she cries a shiver  
sometimes she cries for me too

And I say I'll never hurt her  
but she knows it isn't true  
'cos although I never told her  
I think she knows bout me and you  
now she cries with silent tension  
this can't be right  
and the downtown special cries along  
'cos I'm leaving tonight

Now I slip the night around her  
and I hope she'll be okay  
I just pray someone will find her  
and guide her along her way  
'cos I'm leaving on the 1 am  
by soon I'm out of sight  
but she'll always be my baby  
though I'm leaving tonight

Every night I hear her  
talking in her sleep  
she says "You know I'll always be there"  
and I feel like such a creep  
please take back the love she gave to me  
and in time her grief will pass  
just tell her that I loved her  
now it's all she has
