I'm on your side, ooh  
Yes, indeed

When friends just can't be found  
Like a bridge over troubled water  
I will lay me down  
Like a bridge over troubled water  
I will lay me down

(When you need a friend)  
(When you need a friend)

When you're weary  
Feeling small  
When tears are in your eyes  
I'll dry them all

(I'm on your side)  
I'm on your side  
When times get rough  
And friends just can't be found

Like a bridge over troubled water  
I will lay me down  
Like a bridge over troubled water  
I will lay me down, yeah

Gonna lay me down  
You've got a friend

When you're down and out  
When you're out  
There on the street  
When evening falls so hard  
I will comfort you

(I'll take your part)  
I'll take your part  
When darkness comes  
And pain is all around

Like a bridge over troubled water

I will lay me down  
Like a bridge over troubled water  
I will lay me down

Gonna lay me down, yeah

(If you need a friend)  
(If you need a friend) hey  
(If you need a friend)  
Yeah, you got a friend now  
(If you need a friend)

Sail on, silver bird  
Sail on by  
Your time has come to shine  
Your dreams are on their way  
Oh, yeah

(See how they shine)  
Oh, see how they shine  
If you ever need a friend  
I'm sailing right behind

Like a bridge over troubled water  
I will ease your mind  
Like a bridge over troubled water  
I will ease your mind

Gonna ease your mind now  
You've got a friend, yeah  
Let me ease your mind  
Oh, you've got a friend

All right, yeah, yeah, woo

Gonna lay me down  
(When you need a friend)

(When you need a friend)  
I'm sailing right behind you  
I'm sailing right behind you

(When you need a friend)  
(When you need a friend)  
(When you need a friend)...

Like a bridge over troubled water  
I will lay me down  
Like a bridge, just like  
A bridge over troubled water  
I'm gonna lay me down

Like a bridge over troubled water  
Just like a bridge  
Over troubled water  
I will lay me down  
Like a bridge over troubled water  
I will lay me down

(When you need a friend)  
(When you need a friend)...
