(Hugh Prestwood)

Her husband is a decent man  
Kind as anyone you know  
But whiskey got a hold of him  
And won't let go, and even though  
She hates him when she's stumbling  
Her heart still breaks his fall

It is a family tie  
It's just a family tie  
It is a famiy tie that binds

Their child who they have loved so much  
Still has somehow lost his way  
He causes them such trouble  
Every day, and you might say  
How many times can you forgive  
Well I cannot count that high

It is a family tie  
It's just a family tie  
It is a famiy tie that binds

It is the very best of gifts God gave  
You have it with you from the cradle to the grave

It is a family tie  
It's just a family tie  
It is a famiy tie that binds
