Hey I've been around
I've seen it all
Love is a chain around your heart
That holds you down
You're better off
Runnin' away before it starts
I wanted to chase my dreams away
I thought freedom meant everything

But hey, hey what do I know
I'm just the lonely fool that let you go
And now what do I do
Thought I could live without
But what do I know

Look at who I've become
I wanted it all
Oh, but that hasn't happened yet
Look what I've done
I built a wall
In between me and happiness
I had the answers, I made the rules
And I thought I had nothing to lose

But hey, hey what do I know
I'm just the lonely fool that let you go
And now what do I do
Thought I could live without
But what do I know

What do I know
