Toss a penny in a well
Make a wish...You never can tell
Trust your heart and
Believe come-what-may, cause
Anything can happen
If you let it happen
Anything can happen today

Some things you trust but can't explain
Like finding rainbows after the rain
True romance comes
Right out of the blue and
Anything can happen
If you let it happen
Anything can happen for you Who knows, maybe right
around the corner
Your future is waiting for you
Don't be afraid to take a chance
Don't look down each time that you dance
Letting go
Is the only thing to do...Then
Anything can happen
If you let it happen
Even love can happen, to you
