I was afraid to feel this way, to let down the walls
Take a chance I might fall
Then you swept those fears away
You had faith in me, in all I could be

I never knew that love could be like this
I never dreamed that I could feel like this
You're all I need, you're the light that shines inside of
me
I've never loved like this

I've been searching all my life, opening doors
Yet I knew there was more
I wasn't one to make believe
Then you showed me how and look at me now

I never knew that love could be like this
I never dreamed that I could feel like this
You're all I need, you're the light that shines inside of
me
I've never loved like this

Just like the touch of summer rain
This heart of mine's alive again
Can try again, in your eyes I see forever

I never knew that love could be like this
I never dreamed that I would feel like this
You're all that I need, you're the light that shines inside
of me
I've never loved like this
I never knew love could be like this, woh

(Never knew love like this)
I never knew that love could be like this
(Never knew love like this)
Ohh, you're all I need

(Never knew love like this)
Ohh
(Never knew love like this)
Ohh

(Never knew love like this)
I never knew that love could be like this
(Never knew love like this)
Ohh
