There's a quiet storm, I feel it in the air tonight
And the hunger's strong, can you feel it in the air
tonight
We've been here before, played this scene a thousand
times
But this is so much more, the perfect kiss, the perfect
crime

It's the sweetest surrender, when love takes control
This is everything I want to know

Love is forever, love is for always
Love is the light, I see that's shining in your eyes

And it's sensual, so excited by your warm caress
And it's sexual, when I hear you tell me yes
Slowly you take me where I've never dared
All we desire is there

Love is forever, love is for always
Love is the light, I see that's shining in your eyes
Love is forever, love is for always
Love is the rapture that I feel with you tonight
Love is forever with you

Love is forever, love is for always
Love is the rapture that I feel with you tonight
Love is forever with you
