I remember the way you held me
Hot nights and a sweet sweet love song
Take me back to the summer- rescue me

Winter's knockin' at my door
The summer feels so far away
Starin' out of my window
Wishing for yesterday
Souvenirs and photographs
You were the time of my life
And I would give any thing I have
Just to see you tonight

I remember the way you held me
Hot nights and a sweet sweet love song
Take me back to the summer- rescue me
Bring back those nights of surrender
The crazy dreams that we dreamed together
Take me back to the summer- rescue me I remember
the way you held me

Hot nights and a sweet sweet love song
Take me back to the summer- rescue me
Bring back the nights of surrender
The way you held me, so warm and tender
Take me back- baby, baby- rescue me

I remember the way you held me
Hot nights and a sweet sweet love song
Take me back- baby, baby- rescue me
Bring back the nights of surrender
The way you held me, so warm and tender
Take me back to the summer- rescue me
