Listen to me, I have beautiful dreams I can spin you  
Dreams to linger within you  
Close your eyes and we'll ride my carousel

I'll sing you stories of lovers whose love used to fill me  
And the lovers who will be, for you see love is one thing  
I do well  
Come let's believe love can be just as sweet as it  
seems  
Let's live on dreams

In my dreams such beautiful lovers have found me  
Story book lovers surround me, nothing is real but I'm  
flying  
Sighing, where, where, where is my story book ending?  
Why does my golden pretending  
Leave me with nothing to hold, but my dreams?

Oh is it only in dreams that we find out ideal love?  
Are there lovers with real love? If you know how to feel  
love, show me how  
Oh but my prince, if you can't be as sweet as you seem  
I'd rather dream

In my dreams such beautiful lovers have found me  
Story book lovers surround me, nothing is real, but I'm  
flying  
Crying where, where, where is my story book ending?  
Why does my golden pretending  
Leave me with nothing to hold, but my dreams?

Come and wake me, come be the love I can hold now  
Storybook love leaves me cold now  
Show me the way to stop dreaming  
There is only one perfect story book ending  
That is the end of pretending  
That is the moment I say, love me now

Et sur mon manège, l'amour toujours est chantant  
Des mes rêves, c'est le commencement  
Et j'espère une fine heureuse  
Mais la fin de l'histoire ne vient pas très doucement

Pour l'histoire il faut faire semblant  
Certes je n'embrasse que mes rêves, seuls mes rêves
