Lyrics: Maury Yeston

In a very unusual way
One time I needed you
In a very unusual way
You were my friend
Maybe it lasted a day
Maybe it lasted an hour
But somehow it will never end

In a very unusual way
I think I'm in love with you
In a very unusual way
I want to cry
Something inside me goes weak
Something inside me surrenders

Me
You don't have a clue
You can't tell what it's like to be me looking at you
It scares me so that I can hardly speak

In a very unusual way
I owe what I am to you
Thought at times it appears I won't stay
How could I ever forget you
Once you had touched my soul

In a very unusual way
You made me whole
