Dear when you smiled at me, I heard a melody  
It haunted me from the start  
Something inside of me started a symphony  
Zing! Went the strings of my heart

'Twas like a breath of spring, I heard a robin sing  
About a nest set apart  
All nature seemed to be in perfect harmony  
Zing! Went the strings of my heart

Your eyes made skies seem blue again  
What else could I do again  
But keep repeating through and through  
"I love you, love you"

I still recall the thrill, I guess I always will  
I hope 'twill never depart  
Dear, with your lips to mine, a rhapsody divine  
Zing! Went the strings of my heart

Clang, clang, clang went the trolley  
Ding, ding, ding went the bell  
Zing, zing, zing went my heartstrings  
From the moment I saw him I fell  
Chug, chug, chug went the motor  
Bump, bump, bump went the brake  
Thump, thump, thump went my heartstrings  
When he smiled I could feel the car shake  
He tipped his hat, and took a seat  
He said he hoped he hadn't stepped upon my feet  
He asked my name, I held my breath  
I couldn't speak because he scared me half to death

Buzz, buzz, buzz went the buzzer  
Plop, plop, plop went the wheels  
Stop went my heartstrings  
As he started to leave I took hold of his sleeve with my  
hand  
And as if it were planned he stayed on with me  
And it was grand just to stand with his hand holding  
mine

To the end of the line
