What do you expect from me?
Will I ever be who you want me to be?
Will I ever live up to your standards?
Will you always look down on me?
Maybe I'm not who you are...
Maybe I want to be myself...
Live this life I've always dreamed about...
This is not your life to choose...

Chorus

Yes I taste it,
Yes I breathe it,
Yes I hate it,
Yes I feel strain from,
Our seperation,
BUT,
This is my life, this is my life,
My cleansation,
Our Seperation,
This is my life, this is my life,
It's not yours anymore...

Why did you insist on ruling?
Why did you try and control?
Why didn't you ever listen to me?
Ignored me like a dog...
Maybe I'm glad we're apart...
Maybe I'm glad we don't speak anymore...
I feel better now...
Now that you're gone!!

Chorus
