Too many slaves in this world  
One by torture and pain  
Too many people do not see  
They're killing themselves - going insane  
Too many people do not know  
Bondage in over the human race  
They believe slaves always lose  
And this fear keeps them down  
Watch the damned (God bless ya)  
They're gonna break their chance  
You can't stop them (God bless ya)  
They're coming to get you and then  
You'll get your balls to the wall, man  
Balls to the wall  
You'll get your balls to the wall, man  
Balls to the wall - balls to the wall  
You may screw their brains  
You may sacrifice them, too  
You may mortify their flesh  
You may rape them all  
One day the tortured stand up  
And revolt against the evil  
They make you drink you blood  
And tear yourself to pieces  
You better watch the damned (God bless ya)  
They're gonna break their chance  
You can't stop them (God bless ya)  
They're coming to get you and then  
You'll get your balls to the wall, man  
Balls to the wall  
You'll get your balls to the wall, man  
Balls to the wall - balls to the wall  
Come on man, let's stand up all over the world  
Let's plug a bomb in everyone's arse  
If they don't keep us alive - we're gonna fight for the  
right  
Build a wall with the bodies of the dead - and you're  
saved  
Make the world scared - come on, show me the sign of  
victory  
Sign of victory - sign of victory  
You better watch the damned (God bless ya)

They're gonna break their chance  
You can't stop them (God bless ya)  
They're coming to get you and then  
You'll get your balls to the wall, man  
Balls to the wall  
You'll get your balls to the wall, man  
Balls to the wall
