What do you expect from me?  
Will I ever be who you want me to be?  
Will I ever live up to your standards?  
Will you always look down on me?

Maybe I'm not who you are  
Maybe I want to be myself  
Live the life I've always dreamed about  
This is not your path to choose

Yes, I taste it, yes, I breathe it  
Yes, I hate it, yes, I feel strain  
From our separation

But this is my life, this is my life  
My cleansation, our separation  
This is my life, this is my life  
It's not yours anymore

Why did you insist on ruling?  
Why did you try and control?  
Why didn't you ever listen to me?  
Ignored me, like a dog

Maybe I'm glad we're apart  
Maybe I'm glad we don't speak  
Anymore, I feel better now  
Now that you are gone

Yes, I taste it, yes, I breathe it  
Yes, I hate it, yes, I feel strain  
From our separation

But this is my life, this is my life  
My cleansation, our separation  
This is my life, this is my life  
It's not yours anymore

Yes, yes, yes, yes, yes, yes  
Yes, I taste it, yes, I breathe it

Yes, I hate it, yes, I feel strain  
From our separation

But this is my life, this is my life  
My cleansation, our separation  
This is my life, this is my life  
It's not yours anymore

This is my life, this is my life  
This is my life  
Now that you are gone
